# 2006-07 Record Book

## FOREWORD

With the 28th edition of the CIF-San Diego Section Record Book, we continue to chronicle the growth — in sports and schools — of the section over its 46-year history.

The San Diego Section began with the 1960-61 school year. Only 13 championships were contested in boys sports that first year. During the 2005-06 school year, 80 championships were played in 26 boys and girls sports. The phenomenal growth of San Diego County during the past four-plus decades is reflected in the number of schools that have won section titles. Section titles were won by 34 member schools during the first decade of the section's existence. More than 80 schools have now enjoyed that championship feeling.

We encourage those who read the record book to notify us with any updates, errors or omissions. The last page of the book is a Record Consideration form that makes it easier for coaches to send in their records. Changes or corrections also can be made here. The page can be copied, filled out and faxed to 858.759.6314.

We hope the Record Book continues to be enjoyed by athletes, coaches and fans who make high school sports so great in the San Diego Section.

— Dennis Ackerman, Commissioner
